Read My Pins: The Madeleine Albright Collection Online Exhibit

The National Museum of American Diplomacy is proud to present our new online exhibit, ***Read My Pins: The Madeleine Albright Collection***. The online exhibit features more than 200 pins, which are on loan to our museum.

Madeleine Albright was the first woman to become Secretary of State and brought a fresh style of communication to the role. She used her jewelry to convey messages about foreign policy and communicate diplomatic messages. Through this online exhibit, you'll discover the hidden stories behind Albright's pins.
