Countering Propaganda & Disinformation

Far-left, far-right, and conspiracy websites of uncertain origin and legitimacy, which serve the interests of a foreign adversary without overt links to its government are sowing confusion, discord, and chaos

Openly State-sponsored news outlets such as Sputnik, Russia Today and Press TV (Iran) produce disinformation in the guise of legitimate information sources

Strengthen information literacy capacity

Resource reputable and transparent media institutions

Protecting
Democratic
Institutions &
Values

Adversary state-sponsored covert outlets make further attempts to propagate their disinformation and propaganda through social media websites, bots, & hackers

Coordinate
technical
defensive
tactics against
machinedriven
propaganda
