## American Spaces Programming Resources

World Intellectual Property Day – April 26, 2018  
2018 Theme: Powering Change: Women in Innovation and Creativity

### Programming Packages

- ***Dream It. Design It. Do It.***
  - Created by Smithsonian Institution
  - Three separate programs on:
    - Innovation & Invention
    - Entrepreneurship
    - Combining Innovation, Invention and Entrepreneurship
  - Can be found here: <https://americanspaces.state.gov/home/new-program-package-dream-it-design-it-do-it/>
- ***Film: The Social Network***
  - 2 hour film
  - **Movie Programming Kit** (included as attachment and will be uploaded to website soon)
  - Posts/American Spaces need to procure film on own
- ***What is Intellectual Property?***
  - Lesson Plan 1 on following website: <http://www.educateip.org/index.php/curriculum>
  - Provided by **Educating to Protect Intellectual Property (ePIP)** – organization was created with funding and/or support of **U.S. Patent and Trademark Office, U.S. Department of Justice, International Trademark Association, and Motion Picture Association of America**
  - Includes 45-minute lesson plan plus handouts

### Video Resources

- ***Short Video: The U.S. Patent and Trade Office***
  - <https://americanspaces.smithsonian.com/videos/category/entrepreneurship/united-states-patent-office/>
  - 3 min 48 sec video with discussion questions included
  - Video can be downloaded
- ***Film: Other People's Footage – Copyright and Fair Use***
  - Film on **Kanopy** (through e-LibraryUSA)
  - 75 minutes
  - This film explores three questions crucial to determining fair use exemptions and presents illustrative examples from fiction, nonfiction and experimental films that use pre-existing footage, music and sound from other individual's creations - without permission or fees.
